

# Customer Relationship Summary

IF Securities LLC

Form CRS

IF Securities LLC ("IF") is registered with the Securities and Exchange Commission ("SEC") as a broker-dealer and is also a member of Financial Industry Regulatory Authority, Inc. ("FINRA") and Securities Investor Protection Corporation ("SIPC"). This Form CRS contains important information about the types of services IF Securities offers, along with general information related to compensation, conflicts of interest, disciplinary action, and other reportable legal information. Free and simple tools are available to research firms and financial professionals at [investor.gov/crs](https://investor.gov/crs), which also provides educational materials about broker-dealers, investment advisers, and investing.

## What investment services and advice can you provide me?

IF Securities offers limited investment products and services. Specifically, we offer investors the opportunity to make self-directed investments in registered and unregistered securities offerings, including private placements offered under Regulation D. Other security products or brokerage services may be more suitable for you.

When we facilitate the opening of a brokerage account for you, we will refer you to our contracted clearing broker dealer, which will carry your account on your behalf. IF Securities itself will not open or maintain your account, nor will the firm monitor your account at a referred to other broker dealer. We do not enter into a fiduciary relationship with you as we refer you to a contracted other broker dealer since your account at the referred to broker dealer will be your self-directed brokerage account.

Because we refer you to another broker-dealer, they will pay us a share of commissions your account will generate from transactions executed within your account. Also, it will be your responsibility to monitor the investments you make, and we encourage you to do so regularly because we do not commit to providing on-going monitoring of your investments. Your investments will be reflected in account statement(s) which will be provided by a financial institution that will maintain your account, as applicable.

Additional information about our services is available at [www.IF-securities.com](https://www.IF-securities.com).

**When considering our services, ask your financial professional:**

- Given my financial situation, should I choose a brokerage service? Why or why not?
- How will you choose investments to recommend to me?
- What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?

## What fees will I pay?

You will pay no fees to IF Securities for referral to another broker dealer. When you open your brokerage account at a referred to broker dealer and execute transactions in your account therefrom, the other broker may pay us a pre-agreed share of commissions and fees as generated by your account at that broker dealer. When maintaining your account at a referred to broker-dealer, you will be subject to commissions and fees as will be disclosed to you by that broker-dealer.

You will pay certain transaction-based fees (commissions and sales concessions) in connection with investing in a private placement. The applicable fees will vary from offering to offering. That said, there are management fees, organizational and operating expense reimbursement and profit participation/carried interest fees, as may be applicable to a specific transaction in such restricted private placement securities. Where these fees apply, the more transactions you enter into, the more compensation that we and your financial professional receive. This compensation creates an incentive for us to encourage you to invest in private placements. Commissions and other sales concessions are charged when a transaction occurs. You will be charged more the more transactions you enter into with our Firm, and we, therefore, have an incentive to encourage you to invest in private placements. Transaction-based fees are based on a host of factors, including, but not limited to issuer and the type of offering participated in, size of your transaction and/or overall value of your investment, frequency of your private placement investments, and available discounts and/or fee waivers.

You will pay fees whether you make or lose money on your investments. Fees may reduce any amount of money you make on your investments over time. Please make sure you understand what fees you are paying. Additional information about our fees is available on our Best Interest Disclosure Document and in the PPM or similar offering document.

**When considering our services, ask your financial professional:**

- Help me understand how fees and costs might affect my overall investment. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

## What are your legal obligations to me when providing recommendations as my broker-dealer? How else does the firm make money and what conflicts of interest do you have?

### *Recommendations*

IF Securities does not make investment recommendation to its customers. We provide the ability to make self-directed investments in certain registered and unregistered securities and securities offerings.

### *Revenue*

IF Securities generates revenue as a result of transaction-based fee structures and other financial arrangements between us and third parties. Securities rules allow us to earn fees when we provide referred brokerage services to you. The fees that we receive from you or from third parties that would provide any brokerage services to you, may vary based upon the products or services you purchase.

### *Conflicts of Interest*

Registered Representatives may invest in the same products offered to customers. IF Securities has procedures to monitor the personal trading activities and securities holdings of each of its Registered Representatives and includes procedures for limitations on personal securities transactions of associated persons. These policies are designed to discourage and prohibit personal trading that would disadvantage customers.

When considering our services, ask your financial professional:

- How might your conflicts of interest affect me, and how will you address them?

## How do your financial professionals make money?

Registered Representatives earn a portion of the commissions and other transaction fees you pay. As commissions are based on a number of factors, so is the compensation paid to our Registered Representatives. For example, certain products pay higher commission rates than others. Employee bonuses may be paid based on the overall profitability of IF.

## Do you or your financial professionals have a legal or disciplinary history?

You can visit <https://www.investor.gov/CRS> or <https://brokercheck.finra.org/> for a free and simple search tool to research us and our financial professionals. Currently, no financial professionals with the firm have any legal or disciplinary history.

When considering our services, ask your financial professional:

- As a financial professional, do you have any disciplinary history? For what type of conduct.

**Additional Information** Additional information, including our most recent Relationship Summary, is available by calling your Registered Representative at (786) 543-2556 to request up-to-date information and a copy of the Relationship Summary.

When considering our services, ask your financial professional:

- Who is my primary contact person?
- Is she or he a representative of an investment adviser or a broker dealer?
- Who can I talk to if I have concerns about how this person is treating me?
