

uSmart Capital, LLC  
FORM CRS CUSTOMER RELATIONSHIP SUMMARY  
Current as of April 24, 2025

**INTRODUCTION**

(item 1)

uSmart Capital, LLC is registered with the Securities and Exchange Commission (SEC) as a broker-dealer and is a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investor Protection Corporation (SIPC). Brokerage and investment advisory services and fees differ, and it is important for you to understand these differences. Free and simple tools are available to research firms and financial professionals at [Investor.gov/CRS](https://Investor.gov/CRS), which also provides educational materials about broker-dealers, investment adviser, and investing.

**WHAT INVESTMENT SERVICES AND ADVICE CAN YOU PROVIDE ME?**

(item 2)

We offer brokerage services to retail investors, including buying and selling securities in an agency capacity only.

- Via our clearing firm, we open brokerage accounts as is generally understood in the securities industry. As agent, we help you to purchase or sell a limited number of investment types, which include both listed and over-the-counter equities and debt securities. We offer nondiscretionary, self-directed brokerage services, which means the retail investor makes the ultimate decision regarding the purchase and/or sale of any securities. We also do business with other registered broker dealers with regard to Initial Public Offerings (IPOs), as well as offer advisory services to institutional clients.
- Private placements are unregistered securities. If you establish a relationship with our firm as an investor, which we refer to as a customer, in a private placement offered by our firm on behalf of an issuer of securities, we generally will not charge you a fee, as it is the issuer who will generally pay us a transaction-based fee, most often referred to as a commission, every time a private placement transaction closes. Such fee would be based on a percentage of the funds we raised from you and, if applicable, other investors. You should be aware that whether directly or indirectly, a part of the funds you invest in a private placement may be used by the issuer to pay some or all of our fee. You should confirm with the issuer directly and also refer to the private placement documentation you are provided to further ascertain how your funds shall be used by the issuer.
- With respect to private placement securities, as a customer (an investor) the ultimate investment decision as to your investment strategy and the purchase or sale of investments will be yours.
- Our firm does not impose account opening minimums.
- You may select investments, or we may recommend investments to you, but the ultimate investment decision as to your investment strategy and the purchase or sale of investments will be yours.
- We do not maintain nor offer for sale or purchase any proprietary products. Our firm does not offer products in a principal capacity.

**Conversation Starters.** Ask your financial professional—

- **Given my financial situation, should I choose a brokerage service? Why or why not?**
- **How will you choose investments to recommend to me?**
- **What is your relevant experience, including your licenses, education, and other qualifications? What do these qualifications mean?**

**WHAT FEES WILL I PAY?**

(item 3A)

You will pay the following transaction-based fees (commissions):

- Listed and OTC equities – you will pay a commission when buying and selling equity securities. The commission rate shall be noted in our new account documentation and shall be deducted directly from your account.
- Private Investments/Private Placements – you will pay a commission on the purchase of a private investment and on a private placement. The amount will depend on the offering. There will also be other expenses associated with the purchase. Please see offering memorandum for more information.

**Additional Information:** *You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.*

**Conversation Starter.** Ask your financial professional — **Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?**

**WHAT ARE YOUR LEGAL OBLIGATIONS TO ME WHEN PROVIDING RECOMMENDATIONS? (item 3B)**  
**HOW ELSE DOES YOUR FIRM MAKE MONEY AND WHAT CONFLICTS OF INTEREST DO YOU HAVE?**

- When we provide you with a recommendation, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they affect the recommendations we provide you. Here are some examples to help you understand what this means.
- Our firm makes money solely via transaction commissions.
- Based on our limited business model, we are not aware of any conflicts of interest at this time.

**Conversation Starter. Ask your financial professional — How might your conflicts of interest affect me, and how will you address them?**

#### HOW DO YOUR FINANCIAL PROFESSIONALS MAKE MONEY?

(item 3C)

The firm's financial professionals earn a share of the commissions we charge to you. Our financial professionals are not compensated on the amount of assets you have in your account.

#### DO YOU OR YOUR FINANCIAL PROFESSIONALS HAVE LEGAL OR DISCIPLINARY HISTORY?
