• WHAT INVESTMENT SERVICES AND ADVICE CAN YOU PROVIDE ME?

- The brokerage service we provide is facilitating investments in private placement funds.
- Since we are a limited purpose firm, we do not offer accounts or hold your funds and securities.
- We solicit on behalf of a limited selection of funds. Other firms may offer a wider range of choices, some of which might have lower costs.
- As a broker-dealer, we solicit on behalf of the Funds, but we do not provide any ongoing monitoring after that solicitation (i.e., we will not review your investment in the Fund(s) and will not recommend whether to continue that investment or not.)

Questions to ask:

- *Given my financial situation, should I choose a brokerage service?*
- *Why or why not?*
- *How will you choose investments to solicit to me?*
- *What is your relevant experience, including your licenses, education and other qualifications?*
- *What do these qualifications mean?*

• FEES, COSTS, CONFLICTS, AND STANDARD OF CONDUCT

3A. What Fees Will I Pay?

- We are compensated for our placement services by the funds with which we work, typically in the form of a percentage of the investment amount raised.
- You will not pay any fees to us.
- You should carefully review the offering documents for the funds you invest in, to ensure that you understand any fees you may pay to them.
- You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time.

Questions to ask:

- *If I invest in a private fund offering, how much will go to fees and costs, and how much will be invested for me?*

3B. What are your legal obligations to me when providing recommendations? How else does your firm make money and what conflicts of interest do you have?

When we provide you with a recommendation, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You

should understand and ask us about these conflicts because they can affect the recommendations we provide you. Here are some examples to help you understand what this means.

- We receive placement fees from the sponsors of the funds we solicit, which are generally based upon the amount invested.
- Thus, SCRED's solicitations of such investments may be influenced by its desire to obtain these fees.
- We offer investments in a limited number of funds. There may be other funds that we do not offer that better suit your needs.

Questions to ask:

- *How might your conflicts of interest affect me, and how will you address them?*
- *How will you disclose these conflicts in each circumstance as they arise?*

3C. How do your financial professionals make money?

- Our registered representatives earn a combination of base salary and incentive compensation based on assets raised for the specific funds.
