**DIVERSIFIED SECURITIES INVESTMENT  
CORPORATION OF AMERICA**

CRD# 14215

Report # 555215 generated on Thursday, June 28, 2007.

## Dear Investor:

FINRA has generated the following BrokerCheck report for **DIVERSIFIED SECURITIES INVESTMENT CORPORATION OF AMERICA**. The information contained within this report has been provided by a FINRA brokerage firm(s) and securities regulators as part of the securities industry's registration and licensing process and represents the most current information reported to the Central Registration Depository (CRD®).

FINRA regulates the securities markets for the ultimate benefit and protection of the investor. FINRA believes the general public should have access to information that will help them determine whether to conduct, or continue to conduct, business with a FINRA member. To that end, FINRA has adopted a public disclosure policy to make certain types of information available to you. Examples of information FINRA provides include: regulatory actions, investment-related civil suits, customer disputes that contain allegations of sales practice violations against brokers, all felony charges and convictions, misdemeanor charges and convictions relating to securities violations, and financial events such as bankruptcies, compromises with creditors, judgments, and liens.

When evaluating this report, please keep in mind that it may include items that involve pending actions or allegations that may be contested and have not been resolved or proven. Such items may, in the end, be withdrawn or dismissed, or resolved in favor of the individual broker, or concluded through a negotiated settlement with no admission or finding of wrongdoing.

The information in this report is not the only resource you should consult. FINRA recommends that you learn as much as possible about the individual broker or firm from other sources, such as professional references, local consumer and investment groups, or friends and family members who already have established investment business relationships.

FINRA BrokerCheck is governed by federal law, Securities and Exchange Commission (SEC) regulations and FINRA rules approved by the SEC. State disclosure programs are governed by state law, and may provide additional information on brokers licensed by the state. Therefore, you should also consider requesting information from your state securities regulator. Refer to [www.nasaa.org](http://www.nasaa.org) for a complete list of state securities regulators.

**Thank you for using FINRA BrokerCheck.**

Using this site/information means that you accept the FINRA BrokerCheck Terms and Conditions. A complete list of Terms and Conditions can be found at [brokercheck.finra.org](http://brokercheck.finra.org)

The disclosure questions concern criminal and regulatory events, civil actions, and certain financial disclosures such as bankruptcy or liquidation proceedings filed within the past ten years, bond actions and unpaid judgments and liens. The firm must answer either "yes" or "no" to each question as it applies to the firm itself or to any of its control affiliates (i.e., an individual, partnership, corporation, trust, or other organization that directly or indirectly controls, is under common control with, or is controlled by the firm). This section lists the various disclosure questions and their corresponding answers as reported by the firm on Form BD.

Possible multiple reporting sources – please note:

Disclosure event details may be reported by more than one source (i.e., regulator or firm). When this occurs, all versions of the reported event will appear in the firm's BrokerCheck report.

## Disclosure Event Details

This section provides the specific details for each disclosure event, as reported by the firm on Form BD, that correspond with any "yes" answers to the various Form BD disclosure questions. It also includes summary information regarding arbitration awards in cases where the firm was named as a respondent in the arbitration proceeding, if any.

Nothing will be displayed in this section of the firm's BrokerCheck Report when the firm has no reported disclosure information.

If the firm does have reported disclosure events, please keep the following in mind when evaluating the disclosure event details. Items may involve pending actions or allegations that may be contested and have not been resolved or proven. The items may, in the end, be withdrawn or dismissed, or resolved in favor of the firm, or concluded through a negotiated settlement with no admission or finding of wrongdoing.

This report provides the information exactly as it was reported to CRD by the firm and/or by securities industry regulators. Some of the specific data fields contained in this section of the report may be blank if the information was not provided to CRD.

Disclosure event details may be reported by more than one source (i.e., regulator and firm). When this occurs, all versions of the reported event will appear in the firm's BrokerCheck report.

## About this BrokerCheck Report

BrokerCheck reports are part of a FINRA initiative to disclose information about FINRA-registered firms and brokers to help investors determine whether to conduct, or continue to conduct, business with these firms and brokers. The information contained within these reports is collected through the securities industry's registration and licensing process.

### Who provides the information in BrokerCheck?

Information made available through FINRA BrokerCheck is derived from the Central Registration Depository (CRD®) as reported on the industry registration and licensing forms brokerage firms and brokers are required to complete.

The forms used by brokerage firms, Forms BD and BDW, are established by the Securities and Exchange Commission (SEC) and adopted by all state securities regulators and self-regulatory organizations (SROs). FINRA and the North American Securities Administrators Association (NASAA) establish the Forms U4 and U5, the forms that collect broker information. Regulators provide information via Form U6, which is used primarily to report certain history about brokerage firms and brokers. These forms are approved by the SEC.

### How current is the information contained in BrokerCheck?

Brokerage firms and brokers are required to keep this information accurate and up-to-date (updates typically are required not later than 30 days after the broker/brokerage firm learns of an event). The report data is updated when a firm, broker, or regulator submits new or revised information to CRD. Generally, updated information is available on BrokerCheck Monday through Friday.

### What information is NOT disclosed through BrokerCheck?

Information that has not been reported to the CRD system, or that is not required to be reported, is not disclosed through FINRA BrokerCheck. Examples of events that are not required to be reported or are no longer reportable include: judgments and liens originally reported as pending that subsequently have been satisfied and bankruptcy proceedings filed more than 10 years ago. Conversely, certain customer complaint information that is not required to be reported may be disclosed provided certain criteria are met.

Additional information not disclosed through BrokerCheck includes Social Security Numbers, residential history information, and physical descriptive information. On a case-by-case basis, FINRA reserves the right to exclude information that contains confidential customer information, offensive and potentially defamatory language or information that raises significant identity theft or privacy concerns that are not outweighed by investor protection concerns. NASD Interpretive Material 8310-2 describes in detail what information is and is not disclosed through BrokerCheck.

Under FINRA's current public disclosure policy, in certain limited circumstances, most often pursuant to a court order, information is expunged from the CRD system. Further information about expungement from the CRD system is available in NASD Notices to Members 99-09, 99-54, 01-65, and 04-16 at [www.finra.org](http://www.finra.org).

For further information regarding FINRA's BrokerCheck program, please visit FINRA's Web Site at [www.finra.org/brokercheck](http://www.finra.org/brokercheck) or call the FINRA BrokerCheck Hotline at (800) 289-9999. The hotline is open Monday through Friday from 8 a.m. to 8 p.m., Eastern Time (ET).
