

BrokerCheck Report

ALFRED PETER AVASSO

CRD# 9004

Dear Investor:

FINRA has generated the following BrokerCheck report for **ALFRED PETER AVASSO**. The information contained within this report has been provided by a FINRA member firm(s) and securities regulators as part of the securities industry's registration and licensing process and represents the most current information reported to the Central Registration Depository (CRD[®]) system.

FINRA regulates the securities markets for the ultimate benefit and protection of the investor. FINRA believes the general public should have access to information that will help them determine whether to conduct, or continue to conduct, business with a FINRA member or any of the member's associated persons. To that end, FINRA has adopted a public disclosure policy to make certain types of information available to you. Examples of information FINRA provides on currently registered individuals and individuals who were registered during the past two years include: actions by regulators, investment-related civil suits, customer disputes that contain allegations of sales practice violations against brokers, all felony charges and convictions, misdemeanor charges and convictions relating to securities violations, and financial events such as bankruptcies, compromises with creditors, judgments, and liens. FINRA also provides certain information on individuals whose registrations terminated more than two years ago.

The information in this report is not the only resource you should consult. FINRA recommends that you learn as much as possible about the individual broker or brokerage firm from other sources, such as professional references, local consumer and investment groups, or friends and family members who already have established investment business relationships.

FINRA BrokerCheck is governed by federal law, Securities and Exchange Commission (SEC) regulations and FINRA rules approved by the SEC. State disclosure programs are governed by state law, and may provide additional information on brokers and firms licensed by the state. Therefore, you should also consider requesting information from your state securities regulator. Refer to www.nasaa.org for a complete list of state securities regulators.

Thank you for using FINRA BrokerCheck.

Using this site/information means that you accept the FINRA BrokerCheck Terms and Conditions. A complete list of Terms and Conditions can be found at brokercheck.finra.org

For additional information about the contents of this report, please refer to the User Guidance or www.finra.org/brokercheck. It provides a glossary of terms and a list of frequently asked questions, as well as additional resources. For more information about FINRA, visit www.finra.org.

Disclosure of Regulatory Events

Disclosures in BrokerCheck reports come from different sources:

- **Self-disclosure:** Brokers are required to answer a series of questions on their application requesting securities industry registration (Form U4). For example, brokers are asked whether they have been involved in certain regulatory matters.
- **Regulator/Employer postings:** In addition, regulators and firms that have employed a broker also may contribute relevant information about such matters. All of this information is maintained in CRD.

Certain Thresholds must be met before an event is reported to CRD; for example:

- **A regulatory agency** must meet established standards before initiating a regulatory action and/or issuing sanctions. These standards typically include a reasonable basis for initiating the action after engaging in a fact-finding process.

Disclosure Event Details

This report provides the information as it was reported to CRD by the individual broker, a member firm(s), and/or by securities industry regulators. Some of the specific data fields contained in the report may be blank if the information was not provided to CRD.

Disclosure event details may be reported by more than one source (i.e., regulator or firm). When this occurs, all versions of the reported event will appear in the firm's BrokerCheck report.

Regulatory - Final

This section provides information regarding a final, regulatory action that was reported to CRD by the individual broker, a member firm and/or a securities regulator. The event may include a final, formal proceeding initiated by a regulatory authority (e.g., a state securities agency, a self-regulatory organization, a federal regulator such as the SEC or the Commodity Futures Trading Commission (CFTC), or a foreign financial regulatory body) for a violation of investment-related rules or regulations.

About this BrokerCheck Report

BrokerCheck reports are part of a FINRA initiative to disclose information about FINRA-registered firms and individual brokers to help investors determine whether to conduct, or continue to conduct, business with these firms and brokers. The information contained within these reports is collected through the securities industry's registration and licensing process.

Who provides the information in BrokerCheck?

Information made available through BrokerCheck is obtained from CRD as reported through the industry registration and licensing process.

The forms used by brokerage firms, to report information as part of the firms registration and licensing process, Forms BD and BDW, are established by the SEC and adopted by all state securities regulators and SROs. FINRA and the North American Securities Administrators Association (NASAA) establish the Forms U4 and U5, the forms that are used for the registration and licensing process for individual brokers. These forms are approved by the SEC. Regulators report disciplinary information for firms and individual brokers via Form U6.

How current is the information contained in BrokerCheck?

Brokerage firms and brokers are required to keep this information accurate and up-to-date (typically not later than 30 days after learning of the event). BrokerCheck data is updated when a firm, broker, or regulator submits new or revised information to CRD. Generally, updated information is available on BrokerCheck Monday through Friday.

What information is NOT disclosed through BrokerCheck?

Information that has not been reported to CRD or that is not required to be reported is not disclosed through BrokerCheck, such as vacated regulatory actions.

Additional information not disclosed through BrokerCheck includes Social Security Numbers, residential history information, and physical descriptive information. On a case-by-case basis, FINRA reserves the right to exclude information that contains confidential customer information, offensive and potentially defamatory language or information that raises significant identity theft or privacy concerns that are not outweighed by investor protection concerns. FINRA Rule 8312 describes in detail what information is and is not disclosed through BrokerCheck.

Under FINRA's current public disclosure policy, in certain limited circumstances, most often pursuant to a court order, information is expunged from CRD. Further information about expungement from CRD is available in FINRA Notices 99-09, 99-54, 01-65, and 04-16 at www.finra.org.

For further information regarding FINRA's BrokerCheck program, please visit FINRA's Web Site at www.finra.org/brokercheck or call the FINRA BrokerCheck Hotline at (800) 289-9999. The hotline is open Monday through Friday from 8 a.m. to 8 p.m., Eastern Time (ET).
